

Community of Reason Skeptical Religion Study Calendar for January & February, 2009

All meetings are from 10:00 a.m. to about 12:30 p.m.

(Come for one presentation or both)

Room 307, Haag Hall (northwest corner of 52nd & Rockhill Road), UMKC
(Park on level 4 of the parking structure south, across the street;
3rd floor of Haag is accessed directly through overhead walkway.)

This is not your normal religious studies class that seeks to learn the "truths" of the religion. Rather we look to see if there are any truths in the various religions. We ask such questions as does it teach acceptable morals; is it historical; why are the sacred texts given such esteem?
